Larimer County Attendees: Katie Beilby, Amy Nguyen, Matt Johnson

1. Meeting was brought to order at 7PM by Julie Rogers
2. Short Summary of Road project by Mark and Julie
 - a. April 2023 Road Committee Report and Recommendations meeting
 - b. April 29 2023 Board Voted to move forward with the committee recommendations to pursue the county PID and due some patch work on the roads.
 - c. May 5 2023 road committee met with Larimer County and submitted the PID application.
 - d. July 2023 some road patch work was completed (\$25K)
3. At this time it was brought up by members that the road committee was going to fill some of the pot holes on Riverview DR which did not happen. Mark and Tom Smith are taking the action to get this done.
4. The Larimer County Team was introduced and they started their presentation.
 - i. The presentation was interrupted multiply times to discuss past actions by the County Road dept. not maintaining the roads and therefore putting us into the current situation
 - ii. The County team presented 2 options (1) full replacement of all roads and (2) replacement of Riverview DR and 2 inch overlay for the remaining road. There were multiple interruptions from members about the cost of either option.
 - iii. One member suggested that the HOA take over the project and not involve the County. Julie and Mark to take that action to the board.
5. The meeting was called to a close at 9:30pm.
